

When You Don't Want to Say Goodbye **(Hasta Luego)**

**When you don't want to say goodbye you can say
"Hasta Luego!" So long! Si, see you later!
I want to see you very soon again, my friend
Si, si, we'll see you tomorrow!
You are my special amigo!
That's 'cause you mean so much to me!**

**We are good friends
And we don't like to say the word goodbye!
It is so sad
Sometimes it even makes me want to cry!
Oh, no, there must be a better way
Some words that show we don't want to go.
If we must leave, what can we say?
Oh, show us the way to go!**

**When you don't want to say goodbye you can say
"Hasta Luego!" So long! Si, see you later!
I want to see you very soon again, my friend
Si, si, we'll see you tomorrow! You are my special
amigo!
That's 'cause you mean so much to me!**
